Dear Ms. Stern:

This letter is to confirm our discussion of August 3, 2000, wherein you agreed to grant Arizona Public Service Company (APS) an extension of thirty (30) days to respond to EPA's Request for Information regarding the above-referenced Facilities. APS received the Request on July 17, 2000. With the extension, APS' response to the Request will now be due on September 15, 2000. If this does not comport with our discussion, please contact me as soon as possible.

APS appreciates your courtesy with respect to the extension, and for the guidance you provided with respect to the questions contained in the Request. As we discussed, APS will make every reasonable effort to provide all relevant information relating to the above-referenced Facilities.

If you have any questions, please do not hesitate to call me at (602) 250-2454.

Very truly yours,

C. David Martinez
